ABOUT ME

Dynamic and results-driven professional with 8 years of experience in Computer Networks, System Administration, and Full-Stack Development. Skilled in HTML, CSS, JavaScript, PHP, frameworks like Laravel and CodeIgniter, and JavaScript libraries such as React and Vue. Acknowledged Python programmer, aiming to leverage these skills with a forward-thinking team. Eager to contribute to innovative solutions and grow alongside your esteemed organization, fueled by a recent academic milestone achieved in 2022.

WORK EXPERIENCE

- Network Architect, Ummi Hospital Bogor, Bogor**
